THEME: Old Town Auburn & Country Christmas takes us back to the late 1800's when, during the crisp evenings of the holidays well wishers gathered in the town square visiting, sharing, listening to the entertainment, singing carols and finally taking home special gifts for friends and loved ones. To follow that theme and create the ambiance of years gone by, please wear Old Fashioned or Christmas attire, (dress warm & wear rubber soled shoes, costumes are not required) and light your booths with Coleman lanterns. No electricity is provided except for food vendors. A canopy or cover is inviting & allows you to display your crafts and hang your lanterns. It also provides shelter from inclement weather. Please DO NOT ask Old Town merchants to use electricity from their shops.

CONFIRMATION: Will be mailed prior to event. PLEASE enclose two #10 Legal size SASE Envelopes.
