A little bit of Mexico comes to Old town Auburn on Sunday ~ May 5th. This is our 25th year. Cinco de Mayo is celebrated annually in the United States and Mexico to commemorate the Mexican army beating 6,000 French troops who had invaded the City of Puebla on May 5th, 1882.

This year's event promises to be better than ever. While the Folklorico Dancers and the dancing horses are always a favorite, fun kids rides, food, music, piñatas, and a street dance are a big part of the festivities. Attendance is approximately 500 to 700 visitors. Vendors are limited to 25. Food vendors are limited to 5. First come, first serve basis. All weather event. No rain date.
