THEME: Old Town Auburn & Country Christmas takes us back to the late 1800's when, during the crisp evenings of the holidays well wishers gathered in the town square visiting, sharing, listening to the entertainment, singing carols and taking home special gifts for friends and loved ones. To follow that theme and create the ambiance of years gone by, please wear holiday attire, (dress warm & wear rubber soled shoes, costumes are not required) and only light your booths with COLEMAN LANTERNS. NO BRIGHT LIGHTS ALLOWED. No electricity is provided except for food vendors. A canopy or cover is inviting & allows you to display your crafts and hang your lanterns. It also provides shelter from inclement weather.

\*\* Please DO NOT ask Old Town merchants to use electricity from their shops.

\*\* Note: This is an all weather event. No rain date!
